Dear Sir:

We have received your two letters concerning
Historical Research and certain records of the year
1904.

As much as we would like to assist you in this
matter we are unable at the present time to institute a
search of our old records.

We are greatly undermanned in our staff of
personnel and are presently swamped in a deluge of
Governmental reports and statistical information, for
all of which there are deadlines.

We might be able to look into the matter
sometime during the month of March if you are able to wait that long.

Very truly yours,
HOTEL LAFAYETTE
